

Omalovánky třídíme odpadky

Vytiskni omalovánky - plast, nápojový karton, sklo barevné, sklo čiré, papír, bioodpad, elektroodpad, kov, smíšený odpad, textil, gastroodpad. Děti mají za úkol správnou barvou vymalovat koš a pak vymalují dle fantazie i odpadky, které do něj patří. Můžete se jít podívat ven jaké barvy máte u Vás v obci či městě, hlavně gastroodpad, elektroodpad či textil se barevně mohou lišit.
